

Policies Regarding Massage Education Received Outside the United States

Education and training received outside of California must be at least substantially equivalent to the requirements applied to California school programs.

How will my non-California education be evaluated?

One important aspect of educational program equivalence is whether the educational institution attended has been approved by the national, regional, or state authority with responsibility for vocational program approvals. Such status can readily be ascertained by CAMTC for each of the 50 U.S. states, U.S. territories, and the Canadian provinces of Ontario, British Columbia, Nova Scotia, and Newfoundland and Labrador. Officially sealed transcripts from duly locally approved educational institutions located within those jurisdictions shall be sufficient school material for CAMTC to evaluate.

Applicants who are presenting massage education secured elsewhere will, in addition to satisfying transcript requirements described below, need to supply to CAMTC a letter of certification from a governmental authority of the country or state in which the school is located stating that the school is/was duly licensed and approved.

Who is authorized to translate/evaluate my transcript?

An applicant whose massage education occurred elsewhere outside the U.S. will need to arrange to have course hours on their transcript translated/evaluated by one of the following CAMTC approved evaluation/translation agencies. *NOTE: The costs associated with the evaluation/translation shall be incurred by applicant.* **Applicant must send sealed transcript from foreign massage school directly to one of the approved agencies below.**

What education material do I need to submit with my CAMTC application?

- (a) An accurate evaluation, by a CAMTC-approved evaluation/translation agency, of the applicant's education and practical training that demonstrates to the satisfaction of the CAMTC that the applicant's education and training are at least substantially equivalent to California requirements .
- (b) An accurate translation of the education documents into English by a CAMTC-approved evaluation/translation agency.
- (c) A notarized affidavit certifying that the translator is competent in both the language of the original document(s) and the English language and stating that the translation provided to CAMTC is a true and complete English translation of the original document.

NOTE: Notwithstanding the general instructions indicating that the original transcript be sent to CAMTC, CAMTC will not return any documents. DO NOT send CAMTC your only copy of any important documents.

The CAMTC does not give the authority to any other agency to determine whether or not an individual has met CAMTC certification requirements. CAMTC does, however, rely on information from the third-party evaluating agency in determining the semester credit hours received.
