SUBJECT: Nomination of City Attorney for Appointment to CAMTC Board

DATE: August 19, 2015

With the full involvement and support of the City Attorneys Department of the League, I am honored to submit to the new CAMTC Board and you the name of a highly qualified city attorney for consideration for appointment to the new Board to fill the director position required by Business and Professions Code 4601 (g)(11) of "...an attorney licensed by the State Bar of California, who has been practicing law for at least three years and who at the time of appointment represents a city in the state." The nominee is Michael E. Gates, the elected City Attorney of Huntington Beach.

Michael was elected as Huntington Beach City Attorney on November 4, 2014. Prior to his election, he was a partner at a successful law firm in Orange County, serving as a trial attorney and had defended numerous clients in a wide range of legal areas such as: Federal Civil Rights (Excessive Force), Public Entity Law, Government Tort Liability, General Liability, Truck/Automobile Liability, Premises Liability, Products Liability, Professional Liability, Medical Malpractice, and Employment Law.

Michael has represented clients such as the County of Orange, Orange County Sheriff's Department, Orange County District Attorney, Catholic schools and parishes, various large scale trucking companies, and various physicians, surgeons, and other medical professionals and hospitals in the Orange County and Los Angeles areas.

Michael's legal experience began in 2006 when he had the privilege of working as a clerk for the United States Department of Justice engaged in the prosecuting fraud cases on behalf of the U.S. Government. He also clerked two terms with the Orange County District Attorney's Office in both the Felony and Major Frauds units, and worked for a federal bankruptcy judge for the Central District of California. Michael also worked as a Certified Law Clerk representing minors before the Ninth Circuit Court of Appeals, where he undertook significant law and motion to protect the due process rights of unrepresented minors in the immigration court system.

Michael earned his Juris Doctor from Chapman University School of Law. Prior to his legal education, he earned his Bachelor of Science degree in Business Administration and Management, magna cum laude, from Pepperdine University, and has been a member of the Beta Gamma Sigma Honors Society for almost ten years.

Michael's contact information is:

City of Huntington Beach
City Attorney Office
2000 Main Street

Fax: (714) 374-1590
Email: Michael.Gates@surfcity-hb.org;
c: Sandie.Frakes@surfcity-hb.org

As you can see, Michael is highly qualified for this position, and he is willing and able to begin serving on the new CAMTC Board. Once you advise us how you plan to agendize this item for the new Board when it meets on September 15, 2015, we will likely urge him to attend that meeting so the new Board can meet him in person and discuss his interest and qualifications.

Please advise me at your earliest convenience of the process and timing you anticipate the new Board will employ in filling this B&P Code 4601 (g)(11) appointment. I would also appreciate knowing if you or others plan on submitting the names and credentials of other nominees for this position.

Thanks very much. Please let me know if you have any questions.

Re: Appointment to CAMTC Board of Directors

Dear Mr. Dixon,

This letter is in support of my application to be considered for appointment to the CAMTC Board of Directors as a municipal law attorney.

By way of background, I have been practicing municipal law since January 1992. Upon the passage of Senate Bill 731, I was one of the first City Attorneys to draft an ordinance which became effective in January 2009, requiring that CAMTC certification be mandatory at the local level. Following the adoption of the ordinance, I worked closely with the Vacaville Police Department to enforce the ordinance. Between 2010-2014 the City of Vacaville was successful in closing down or suspending approximately ten businesses that were suspected to be fronts for prostitution.

Upon the passage of Assembly Bill 1147, I drafted a revamp of the City of Vacaville's ordinance, which will become effective on September 10, 2015. This ordinance continues the requirement of CAMTC certification, and regulates the owners of Massage Therapy Establishments as authorized by Assembly Bill 1147. I have been advised by Director of Governmental Affairs Beverly Mays that the ordinance is being distributed to other cities as an example of a model ordinance.

I would like to be appointed to CAMTC's Board of Directors to continue to protect the public through certification by helping to set policy through a seat on the Board. If selected, I will bring the knowledge I have accrued since the inception of the Massage Therapy Act, a strong work ethic, and my enthusiasm for the protection of consumers through the CAMTC certification requirements.

Thank you for your consideration.

California Massage Therapy Council
One Capitol Mall, Suite 800
Sacramento, CA 95814

Dear Appointed Board of the California Massage Therapy Council:

Please accept this correspondence as my application for one of the open seats on the California Massage Therapy Council Board of Directors. The CAMTC has become the leader in providing public safety in the area of massage therapy. This is an industry that was hijacked by criminals engaged in human trafficking. I spent almost thirty years combating human trafficking on the front lines as a police officer and detective. As I progressed in my career, I continued directing these efforts as a police administrator and spent one year undercover inside an illegal operation that has given me what I believe is a unique insight into illegal massage operations. In addition to my police experience, I have set up and directed the licensing of massage parlors at the local level in San Mateo County and have promoted a system that can work to rid any area of illegal operations. I have been a guest lecturer on the topic of human trafficking at colleges and community forums.

I have spent several years on the Board of Directors for the CAMTC and feel that I have been a consensus builder who has worked to give this industry back to the vast majority of hardworking and dedicated massage therapists that are currently certified by the CAMTC. As a member of the previous Board, I was part of a group that strove to constantly strengthen the laws surrounding massage therapy in an effort to weed out the criminals while ensuring we do not impinge on those professionals who have dedicated their lives to the healing art of massage therapy.

As the Deputy County Manager, I just finished an assignment where my job was to coordinate the criminal justice system in San Mateo County. Although now I currently oversee all community-based departments, I still oversee human trafficking efforts in the County. Additionally, I am a licensed attorney who spent many years in a litigation practice and I'm very familiar with reading and interrupting the law.

It would be an honor to continue my work on the CAMTC Board of Directors as we move to a new chapter with a newly revised Board. I will bring great insight and dedication to this Board as we continue to strengthen the partnerships between cities, law enforcement, and the CAMTC that will be necessary if we are to provide the highest degree of safety and security to the public that we serve.

Sincerely,

Michael P. Callagy

Mike Callagy

Deputy County Manager

As a Deputy County Manager, Mike previously was the Criminal Justice Liaison with responsibility for coordinating and leveraging the criminal justice resources and assets throughout the County. Starting July 1, 2015, Mike's responsibilities will be to oversee and coordinate the community-based organizations and departments throughout the County, which include Agriculture, Weights and Measures, County Fire, LAFCo, NFO Forward, Parks, Planning and Building, Public Safety Communications, Public Works, and San Mateo County Libraries, and to work with residents of Pescadero and North Fair Oaks on issues that impact their community. Mike will also continue his work as the County Liaison on Human Trafficking issues.

Before joining the County in 2013, Mike spent 29 years with the San Mateo Police Department where he retired as the Deputy Chief of Police. During his tenure there, he worked in, or supervised every aspect of the Police Department including running the day-to-day operations of the Department. Mike is also a licensed attorney in the State of California.

Mike received his Bachelor of Arts degree from the College of Notre Dame, a Juris Doctorate from Santa Clara University, a Master's in Public Administration from the College of Notre Dame and a Master's in Homeland Defense and Security from the Naval Postgraduate School.

Mike lives in Foster City with his wife and their four children.

2015 Strategic Priorities

1. **Establish Disciplinary Performance Measures** - To ensure that CAMTC's enforcement activities are directly aligned with CAMTC's mission of protecting the public, it is essential that CAMTC develop verifiable disciplinary goals. Such performance measures should be an easy-to-understand, transparent system of accountability. It must demonstrate that CAMTC is making and will continue to make the most efficient and effective use of its resources. Once established, these measures will be posted publicly on a quarterly basis.
2. **Law Enforcement** – Strengthen the collaboration with local law enforcement agencies
3. **Local Government** - Improve relationships with cities and counties, especially those that grapple with proliferation of illicit massage parlors. Offer help with the accurate implementation of the Massage Therapy Act.
4. **Certificate Holders** - Gather feedback from certificate holders regarding their experience with the implementation of the Massage Therapy Act. Conduct general surveys of certificate holders.
5. **Swift Discipline** – Maximize the speed by which CAMTC revokes and/or disciplines certificate holders.
6. **School Approvals** – Fully implement CAMTC's school approval program and inspect all schools wishing to be approved by CAMTC.
7. **BPPE MOU** – Initiate the development of a Memorandum of Understanding with the Bureau of Private Postsecondary Education.
8. **Foreign Language** – Conduct a study that examines the feasibility and possible protocols of providing an approved exam in at least one foreign language

2016 Strategic Priorities

1. Continue CAMTC as a private, non-profit organization administering voluntary massage certification programs.
2. In preparation for sunset review, to continue to meet the goals and priorities outlined by the Legislature in the AB 1147 process, in particular assisting local governments and law enforcement in meeting their duty to maintain the highest standards of conduct and safety in massage establishments by vetting and disciplining certificate holders, and improving communications with local government and law enforcement.
3. Continue to educate the public about the importance of positive massage as it relates to protecting the public.
